TIPTOP STEEL

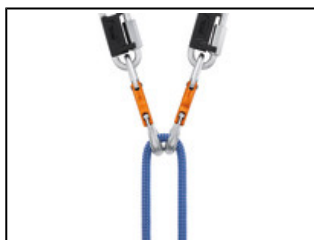

TIPTOP STEEL is a top anchor carabiner designed for indoor climbing gyms. Its aluminum gate and large opening facilitate clipping the rope. The steel frame offers great durability. It is easy to install on an existing anchor.

Aluminum gate gives it the feel of clipping a quickdraw.

The rope is protected, thanks to the wide and rounded rope channel.

Is installed on an existing anchor with a quick link (not included).

Short Description Durable carabiner for interior uses (pack of 10)

Selling Points

- Easy clipping:
 - aluminum gate gives it the feel of clipping a quickdraw
 - large gate opening facilitates clipping the rope
- Excellent durability for easy maintenance and extended product life:
